YOUR PLANT INSURANCE DETAILS

It is a condition of hiring that you have "Hired in Plant" insurance cover. For less than frequent hirers it is often more economical to take advantage of our own **PROTECT - GOLD** cover at 20% premium on the hire rate.

Select with a "No thanks, I have my own insurance and enclose/fax a copy with this application."
 "Yes please. I wish you to include **PROTECT - GOLD** cover to my hire contracts."
 Please Note: This Cover includes Damage Waiver **PROTECT - SILVER**

DAMAGE WAIVER (PROTECT - SILVER) (Automatically provided when you take PROTECT GOLD)

Powered Access Platforms can be expensive to repair. Many users prefer to opt for peace of mind and protect themselves from expensive damage charges, including charges for our lost rental income during downtime. This cover is optional but highly recommended at only 10% added to the hire rate.

Please Tick if Required: "Please register me for **PROTECT - SILVER** ."
